

Beatriz Sanchez Nicolas
could not carry enough water
when she crossed the New Mexico
desert in search of a better life.

**She died of heatstroke on May 20,
2006.**

Over 463 people died
trying to reach the U.S. in 2005.

Support comprehensive immigration
reform and give hardworking people a
way to enter the U.S. legally.

*This campaign is sponsored by the Border Working Group.
