

# ADDRESSING THE PLIGHT OF CHILDREN, WOMEN, AND MEN FLEEING CENTRAL AMERICA

## DO'S

Understand that this is a **refugee crisis** and rescind **anti-asylum policies**.

**Pledge aid** that addresses **the roots** of the crisis.

Urge Central American governments to address **corruption**, protect **human rights** and **end abuses** by police and military forces.

**Fly the rainbow flag** and voice strong support for LGBTQ+ Central Americans.

Stand up for **human rights defenders**, environmental activists, union leaders, and **journalists at risk**.

## DON'TS

Fund **security forces** that are attacking protesters nor encourage the **use of military** troops for law enforcement.

Support **corrupt** government officials.

**Block access** to asylum for people fleeing violence.

Pretend that Guatemala, Honduras, or El Salvador are **safe places** for asylum-seekers.

Allow **Temporary Protected Status (TPS)** to end for some 300,000 Salvadorans and Hondurans.

Demand governments **prevent their citizens from fleeing**.
